Celebrating the Past

Hunting Creek Baptist Church HISTORY

As a result of a call from Suck Spring Meeting House in 1828, a group of Christians broke away to form the Hunting Creek Church which was organized in 1832. It was not until 1839 that a deed was recorded conveying property on which a log building was located. The deed refers to the building as the Hunting Creek Meeting house.

Hunting Creek was first asked to host an annual meeting of the Strawberry Association on May 28, 1836. They have hosted this annual meeting on several occasions and most recently in 2006.

During 1866, women were first asked to serve on the church boards. In September 1899 the Woman's Missionary Society was formed with 11 ladies of the church. That same year, the first paper mill was started and the Big Island community began to grow. The men did not always attend church in sufficient numbers in order to have a quorum to vote at business meetings so the word "male" was removed from the "rules of order". This gave female members the right to vote.

Sometime between 1921-25 a frame building replaced the log building. In the early twenties, the church ordained the Rev. R.E. Brown. Sunday School rooms were added to the frame building during these years.

On June 3, 1921, Robert L. Camden, a young Hunting Creek Member, was called to the ministry in which he served more than 60 years. He was named Pastor Emeritus in 1979 when he retired. The fellowship hall was named in his honor. During the early 20's the church ordained the Rev. R.D. Brown.

Depression settled on the land and support of the church was difficult to find. The members kept the faith and celebrated the centennial of the church September 1932, while Rev. J.M. Franklin was pastor.

Plans were begun for a new sanctuary in 1945 and the ground breaking ceremony was in January 1950. In February 1952, Hunting Creek Baptist Church moved into it's new home.

In May 1958, Hunting Creek would be strong enough financially and spiritually to call Rev. Woodrow W. Neal as it's first full-time pastor.

On August 14 and 15, 1982, Hunting Creek Baptist Church celebrated 150 years of ministry to the community.

In 1998, under the leadership of Reverend Benjamin Owen, a Carillon bell system was purchased and installed in the steeple tower of the church. In July, 2000, the church voted to purchase a Rogers 795 model digital organ, which was dedicated August 27, 2000.

On May 4, 2004, the church voted to call our current pastor, Reverend David Williamson. The church voted on June 9, 2004, to purchase a 1988 Ford, 22 passenger bus.

The 200th session of the Strawberry Association was held at the church on October 30, 2006.

.....Committing to the Future

175 Years of Preaching Sound Doctrine

Rev. David P. Williamson
Pastor

It has been said that it is important to remember the past in order to know how to move forward into the future. Many people have built upon the foundation known as Hunting Creek Baptist Church. Through faithfulness and commitment, we are able to celebrate today. As we celebrate 175 years of ministry, we must remember where the church has been as we look with a hopeful eye toward the future. Hunting Creek Baptist Church has had a tremendous influence in the Big Island community and around the world for many years. May we continue to build upon the foundation laid many years ago under the power and direction of the holy spirit so that the next generation can celebrate their history and continue on in the faith of our Lord and Savior, Jesus Christ.

To God be the glory!

David P. Williamson

*"Make a joyful noise to Lord, all ye lands. Serve the Lord with gladness: come before His presence with singing".
Psalms 100: 1-2*

In 1955 "Miss Eva" Douglas was a visible inspiration to members as she directed the choir and played the first electric organ at Hunting Creek.

There have been many through the years to lead the choir and congregational music during worship services.

Observing Ministry Opportunities

Vacation Bible School began for the children at Hunting Creek in 1938 under the leadership of Edith Vaughn. She later became a missionary to Brazil. Priscilla Goff and Melissa Overstreet were co-leaders in 2007 with 76 in attendance.

In 1943, Hunting Creek began a library containing Christian books and material that people could borrow. The first director was Bernice Yoder. Today, it has become an outstanding media library, and continues to be a useful resource and outreach for the church and community. The present library committee consists of: Carolyn Morehead, Eva Yoder Sikes, Mickey Rusher, Darnell Byers, Vickie Wright, and Jean Hughs.

Rev. Bryan LePere

Big Island Baptist

October 24, 1886 a letter was received from a committee from Big Island, including B. M. Page, J. B. Cox and B. F. Cox, asking for help to organize a new church. During the next few years many of the Hunting Creek members moved their membership and became a part of the Big Island Baptist Church.

Sharon Baptist

Hunting Creek Meeting House was used by the African Americans of the community for worship during the 1830's. According to church minutes, the Hunting Creek membership in 1853 was "90 whites and 28 blacks". They later formed their own house of worship known as Sharon Baptist Church.

Rev. Dennis Moody

Hunting Creek Cemetery

In 1904 two acres were purchased for a larger cemetery where more members and friends of the church could be laid to rest.

Hunting Creek Parsonage

In the summer of 1958, a parsonage was built across from the church, and dedicated on August 3rd of that year.
